Re: EPA Removal Action
Asbestos Landfill Site in New England

Dear Mr. Hamera:

As we discussed, I am providing the following technical assistance by enclosing for your information the following reports in reference to the above asbestos related removal sites. This information has been generated as a result of the U.S. Environmental Protection Agency's emergency removal action at the facility. I am enclosing (1) copy of the following:

Engineering Design, Specifications, and On-site Technical Assistance for Covering Waste Asbestos - 1987 - US Army CRREL, Hanover, NH.

Polrep # 10 - Site #95 West bank of the Merrimack River, Nashua, NH - October 17, 1989.

Action Memorandum for Immediate Removal Action, West Bank Asbestos Site, Nashua, NH - March 23, 1987

Action Memorandum for the Raymark Industries, Inc Site, Stratford, Connecticut - September 10, 1992.

OSWER Directive 9360.0-19 Guidance on Removal Action.

ATSDR Health Consult March 6, 1992

If you have any question relating to this information, I can be contact me at (617) 860-4308. Art Wing, my peer OSC has numerous experience on removals at asbestos sites. He can be reached at 860-4306.

Sincerely,

Paul R. Groulx
